

## POLYCHRONON

Isolated stills from multiple video streams are seen simultaneously. The 2D plane of the gallery wall becomes a medium of new relationships between the images; a cross-section of a zone in which all moments are potentially connected. 2000.

452 video stills on 48 8 1/2 X 11" sheets; push pins.  
Also available as a 40" by 80" iris print.
